

# Holiday Camp Kit List

## Clothing

- |                                                                       |                                                                                                          |
|-----------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------|
| <input type="checkbox"/> At least one pair of indoor shoes / slippers | <input type="checkbox"/> Old trousers / tracksuit bottoms suitable for outdoor activities                |
| <input type="checkbox"/> Sweatshirts / Hoodies                        |                                                                                                          |
| <input type="checkbox"/> Casual trousers / jeans                      | <input type="checkbox"/> At least two pairs of outdoor shoes including one pair suitable for getting wet |
| <input type="checkbox"/> T shirts and Shorts                          |                                                                                                          |
| <input type="checkbox"/> Fleece / warm sweatshirts                    | <input type="checkbox"/> Hat and gloves                                                                  |
| <input type="checkbox"/> Waterproof jacket                            | <input type="checkbox"/> Socks and Underwear                                                             |

We recommend that you label all of your belongings so that we can identify and return them to you if left behind.

**Do Not Bring!**

- |                                                                    |                                         |
|--------------------------------------------------------------------|-----------------------------------------|
| <input type="checkbox"/> Food, Drink or Snacks of any kind         | <input type="checkbox"/> Bedding        |
| <input type="checkbox"/> Technical Devices including Mobile Phones | <input type="checkbox"/> Valuable Items |

## Essential Items

- ☐ At least 2 towels
- ☐ Wash kit including shampoo, shower gel, toothbrush and toothpaste
- ☐ A large black bin bag to store dirty / wet clothing
- ☐ Sun Cream (weather dependant)
- ☐ Medication - Please bring with you any medication that you require during your stay with us as well as a note explaining the required dosage/timing of each drug. Please make sure you bring the medication in the original container as dispensed by the pharmacy or bought from the chemist. All medication is taken in on arrival and administered by our team throughout the camp.
